

Magical Beings: What Do You See?
An Information Treasure Hunt

By Sara Florence Davidson

1. An ovoid is a form line shape that is used in Haida art. How many ovoids can you find in the ancient design on the bentwood box in the picture of **White Raven**?

2. What can you see in **Ice Woman**'s hair that shows she is a "woman of the glaciers"?

3. The ocean and forest are very important to the Haida. What do you think **Cedar Sister**'s headband is made from? (Hint: it shows this important relationship)

4. There are lots of living beings in this picture of **Fern Woman**. How many can you find? List **three** of them here:

5. **Mouse Woman** used to be larger than she is today. How can you tell from the picture of her that she is very small?

6. Based on what you know about the Haida, what do you think the basket that **Lady in the Moon** is holding is made from?

7. How many frogs can you find in the picture of **Frog Woman**?

8. On the bush beside **Swainson's Thrush Woman**, there are salmon berries and Haida salmon berries. How many **Haida** salmon berries can you find?

9. Robert Davidson is a Haida artist. One of his designs is hidden in this picture of **Butterfly Woman**. Where is it?

10. **Rainbow Woman** is traveling through the feather-covered waters beside a village. What do you see on the front of the longhouses?
